Happy June!!

Swim: We will continue with swim this month! The outdoor pool will be opening and available to the public starting June 14th, so we will have our first swim in the outdoor pool on June 18th and 25th. Time will remain the same 6:15-7:15. If weather does not cooperate for our outside pool days we will be able to go into the indoor Lap Pool although times may vary.

Disc Golf: Quarry Road has welcomed us back for this summer with access to their disc golf course. Quarry Road will have disc for us to use. We will likely take off from the hut close to 4:30pm to start playing, if you think you may be late and email to me with a heads up is very helpful. This will take place on Wednesdays 4:30-6pm except a few dates where either Quarry Road has an event or Unified has a scheduling conflict. Those Wednesdays without Disc Golf are June 12, July 3, July 31. As I am told in the past, bugs seem to be an issue out at Quarry Road, I would suggest to wear long socks and pants and bring bug spray!

Softball: We will continue on with our Softball games on Thursday nights 5-7pm at Wrigley Field. For June we have 4 games to wrap up the season:

June 6 Black v White

June 13 White v Purple

June 20 Purple v Black

June 27 Black v White

Best Buddies: For June Best Buddies x Unified will be holding a Paint Night. This will be at the same location (Chace Forum) 5-7pm on Monday 6/17. Reminder I had sent in an email that Cara and Best Buddies are looking for some donations of art supplies to make sure the paint night can be as successful as possible. Please let me or Cara know if you intend to donate or bring art supplies for the group.

Have a JAZZY June!!
