ALFORD YOUTH & COMMUNITY CENTER

WINTER TEAM INFO

All groups focus on having fun in a competitive atmosphere, building stamina and endurance, stroke technique, race strategy, and being part of a healthy team. All swimmers are encouraged to compete in YMCA swim meets.

Junior Dolphins: The Junior Dolphins at the AYCC is a fantastic opportunity for young swimmers coming through our swim lesson program (and beyond!) to get a taste for a structured swim team environment, make new friends and learn new skills in the water! At a competitive and affordable price, this program runs two days a week and serves an excellent 'bridge' program for kids and families who might have other commitments and still want to explore their talents in the water! **Practices: Tues & Thurs 6:15-7:00 pm**
Sessions: Sept 3-Oct 25 | Oct 28-Dec 28 | Dec 30-Feb 28

Bottlenoses: Swimmers in the Bottlenoses group must be able to swim the length of the pool (25 yards) on their own, in both the front crawl and backstroke. This group will learn breathing techniques, competitive strokes, dives, and other basics of competitive swimming. (Recommended Ages 5-9) **Practices: Mon, Wed & Fri 6:15-7:00 pm**

Stripes: Swimmers in the Stripes group must be able to swim all four competitive strokes (butterfly, backstroke, breaststroke, and freestyle) and be able to swim several hundred yards continuously. They should be able to dive, do flip turns, use breathing techniques, and understand the pace clock. They may join USA Swimming with coach approval. (Recommended ages 8-11) **Practices: Mon-Fri 5:30-6:15 pm**

Duskys: Dusky swimmers must have competitive swim team experience, and the endurance and self-motivation to complete one-hour practices with vigor. They focus on higher-level stroke techniques and race strategies. Duskys know how to read a pace clock and how to swim sets independently. They are encouraged to join and compete within USA Swimming for additional growth opportunities. (Recommended ages 10-13) **Practices: Mon-Fri 5:15-6:15 pm**

Orcas: Orca swimmers make up our most advanced practice group and are ready to compete at the highest level. They are self-motivated, dedicated, hard working swimmers ready for challenging and technical practices. Orcas keep a focus on stroke techniques while optimizing their speed and stamina. Goals include implementing race strategies, breathing patterns, and stroke and kick rates. Swimmers in this group and age 13+ may participate in optional weight lifting sessions with our personal trainers. They are expected to volunteer/mentor teammates and demonstrate role-model behavior on and off the deck. They are strongly encouraged to join and compete in USA Swimming. (Ages 10-18). **Practices: Mon-Fri 4:00-5:30 pm**

Your athlete will be assigned to a practice group based on their swimming ability. If you do not know what practice group your athlete is in, please contact the Aquatics Team.
