Make a Splash for a Great Cause!

Join us for the 2025 Polar Plunge, one of the most exciting and impactful events of the year! This exhilarating community event invites brave participants to take a plunge into the icy waters, all in support of the AYCC and its programs for local teens and young adults.

On March 22, hundreds of individuals will gather to dive in, and we need YOU to help make it happen. As a sponsor, you'll not only gain visibility and recognition within our community, but you'll also be making a difference by supporting youth programs, job readiness training, mental health initiatives, and other vital services for young people in our area.

Funds raised this year will support efforts to address food insecurity in our community.
