It is the parent/guardian's responsibility to report any absences to the Childcare Director for the program the child attends. These are considered excused absences and each child is allowed a limited amount of absences.

Those utilizing third party funding for camp must have a minimum attendance of 30 hours per week. Any absence not reported to Childcare Directors would be considered unexcused, and must be reported to CCAP. This may result in a change or loss of third party funding.

General Health Policy

Parents/guardians are required to make an immediate pick-up (within one hour of the call) for illnesses including lice, vomiting, diarrhea, fevers of 100.4 or higher, bathroom accidents, or other health concerns that hinder the child's group participation. If your child did not attend school for illness or behavior issues, your child may not attend our program that day. If the illness is contagious, a doctor's note will be required upon return or permission from one of the supervisors. If sent home for illness, the child must be symptom and fever free for 24 hours.

Impairment Policy

If program staff suspects that the adult picking up the child(ren) is under the influence of drugs or alcohol, the staff will strongly recommend that another person is called for pick-up. If the recommendation is not acted upon, the staff will notify the police department. We also file a report with DHHS as part of the mandated reporter requirements.

Confidentiality Policy

All incident, accident, and observation forms are kept on file with the child's registration for review. These forms help staff implement behavior plans as well as lesson/activity ideas. All forms are kept strictly confidential.

Video Surveillance System Usage Policy & Procedures

The purpose of the AYCC video surveillance system is to help make the AYCC safer for visitors, members, and employees by providing surveillance of key public space areas to reduce crimes, accidents and incidents. The primary use of the system is to allow the after-the-fact investigation of accidents, incidents and potentially crimes, within the AYCC. Cameras are currently installed around the public spaces (rooms, hallways, building exterior) within the AYCC. Cameras are not used to specifically protect private properties within the facility and are not located around areas where the public might have an expectation of privacy (e.g., locker rooms & restrooms). For the protection of AYCC members and community members, individuals are generally not permitted to view security footage other than what is visible real time security feed featured in the AYCC welcome area. Recorded video will be made directly available to the general public only to the extent required by law.

Parent/Guardian Notice:

The Alfond Youth & Community Center will continue to provide leadership and guidance for all participants in regard to bullying education and prevention. Your child will be required to meet all expectations in regards to behavior that is consistent with the current Waterville Public Schools policy on bullying.

Alfond Youth & Community Center Bullying Policy

It is the intent of the Alfond Youth & Community Center to provide all youth with a welcoming, orderly and respectful recreational environment that is a safe place to play, exercise and learn. It is not our intent to prohibit children from expressing their ideas, including ideas that may offend the sensibilities of others, or from engaging in civil debate.

Bullying, as defined in this policy, it is not acceptable and is strictly prohibited conduct at the Alfond Youth & Community Center. Any person that engages in conduct that constitutes bullying shall be subject to disciplinary consequences up to and including expulsion from the facility and loss of membership. A person's bullying behavior may also be addressed through other behavioral interventions.

For the purpose of this policy, "bullying" means any physical act or gesture, or any verbally, written or electronically communicated expression that:

- 1. Repeated negative/derogatory comments
- 2. Name calling
- 3. Gestures
- 4. Actions made with the intent to harm, distress, intimidate, threaten or coerce another individual

Children's Responsibilities

To ensure that the Summer Enrichment Program is a positive place for kids to go, we believe that the children have certain responsibilities. These responsibilities include respecting themselves, as well as their peers, and the staff members who work here. Children will be responsible for cleaning up after themselves and to conduct themselves in a manner that is appropriate and safe for other children around them. We ask children to be respectful of others personal space and property as well as work to maintain a safe body. They are also responsible for staying with their groups and keeping track of their personal belongings.

When these simple guidelines are encouraged and supported we believe we create a positive place for all kids to be. The staff members will support children through positive reinforcement for good behavior, and encouragement for them to perform to the best of their abilities. We ask the parents/guardians to help us carry out these responsibilities.

Children's Rights Children receiving childcare from child care facilities have the following rights.
